**Subject:** One-Year Review: Crossett Action Plan (Action Requested)

Greetings, All – EPA Region 6 is conducting a one-year review of the Action Plan for the Community of Crossett, AR. The purpose of the review is to provide an update on the commitments and actions taken by EPA Region 6, the Arkansas Department of Environmental Quality, and the Arkansas Department of Health as part of the plan. It is also an opportunity to highlight any new activities that build on our previous work to address the concerns that were expressed.

A copy of the final revision of the Crossett Action Plan is attached for your reference. If you have any questions, you may contact me or Israel Anderson at 214-665-3138. **Please provide an update for your respective programs and agencies by September 29, 2015.**

Thank you! -- Tressa
